

RAVENOL DW-1 Fluid

Kategorie: Gear oil for automatic transmissions

Artikelnummer: 1211125

Oil type: Synthetic

Recommendations: Honda 08200-9008, Honda 08200-9009, Honda 08266-99901, Honda 08266-99964, Honda 08266-99967

Application: Passenger car

RAVENOL DW-1 Fluid is a synthetic ATF (Automatic Transmission Fluid), designed on the basis of high quality hydrocrack oils with a special additive and inhibition, which ensure a perfect function of the automatic transmission.

Due to its special formulation the properties of **RAVENOL DW-1 Fluid** are crucial. We assure an excellent cold stability.

Application instructions

RAVENOL DW-1 Fluid is specially designed for use in the latest automatic transmissions of Honda. Please note: Follow manufacturer's original equipment number!

Characteristics

- Extremely low pour point
- Improved viscosity and coefficient of friction behaviour
- A very good protection against consumption
- Excellent thermal stability
- Improved EP-characteristics
- A good foaming behaviour
- Neutral behaviour towards sealing materials
- Reliable protection against corrosion
