

RAVENOL Super Sägekettenoel

Kategorie: Saw chain oil

Artikelnummer: 1350301

Oil type: Biodegradable

Application: Hobby and garden, Agricultural machinery

RAVENOL Super Sägekettenoel is a rapid biodegradable chainsaw oil, that has successfully passed the KWF Test (Kuratorium für Waldarbeit und Forsttechnik).

RAVENOL Super Sägekettenoel is made from specially selected vegetable oils and toxicological proper additives which do not pollute, because there they are degraded by microorganisms in a short time.

RAVENOL Super Sägekettenoel contains active ingredients based on natural raw materials to improve the mixing behavior of friction and shear-resistant adhesive additives that provide a good lubrication for high-speed chain.

Application instructions

RAVENOL Super Sägekettenoel is a chain oil for the lubrication of high-performance saws of all makes. Optimized full lubrication in summer and winter, even under difficult conditions and due to high power reserves when sawing hardwood.

Shelf life of **RAVENOL Super Sägekettenoel**: 18 months at - 20°C to +30°C storage temperature. For cleaning of chain saws, we recommend **RAVENOL Kaltreiniger**.

Characteristics

- Very good viscosity-temperature behavior
- Very good low temperature resistance
- Excellent adhesion and lubrication properties
- High level of protection against wear and corrosion, reduce friction
- Economic consumption, extended service life
- Good long-term low-temperature behavior at -18°C for 100 h: properly filling
- Rapid biodegradability

Technical Product Data

CHARACTERISTICS	PROPERTY	DATA	AUDIT
