RAVENOL Summer Screen Wash 1:100 is an additive for the windshield washer and headlight washer system of vehicles in summer operation and spreads a pleasant, subtle apple scent when used.

RAVENOL Summer Screen Wash 1:100 ensures a clear view in the rain, at night and against the opposing headlights. Thoroughly cleans windows of insects, dust, silicone / grease residues and other dirt with little effort.

RAVENOL Summer Screen Wash 1:100 is suitable for polycarbonate windshields and fan nozzles (temp. $\geq 0\text{ }^{\circ}\text{C}$).

Application instructions

RAVENOL Summer Screen Wash 1:100 is mixed with clean water at a ratio of up to 1:100, depending on the degree of soiling and dilution, then added to the windshield washer system.

Dosage example: 50ml to 5L water

RAVENOL Summer Screen Wash 1:100 can also be used in higher concentrations for heavily soiled windscreens and for basic windscreen cleaning. The cleaner is clearly soluble in water in any ratio.

Note:

RAVENOL Summer Screen Wash 1:100 is stored in a cool and dry place, protect from sunlight and heat. Avoid contact with eyes and skin. Keep out of the reach of children. Wash hands thoroughly after use.

Characteristics

- optimal cleaning performance
- paint compatibility
- hard-water stability
- fan nozzle suitability
